Location and venue

The historic town of Strathalbyn (population 5500) is located approximately 60 km (37 miles) south east of Adelaide in the state of South Australia. The name Strathalbyn means “the valley of the Scots”. Coordinates are 35.26 degrees S and 138.89 degrees E.

Great Southern Archers occupies 22 acres at 85 Forrest Road, Strathalbyn and has a Target Range, Field Courses and a modest clubhouse. All the events will be conducted on club grounds.

Travel and local transport

The nearest international airport is Adelaide. Participants are advised to clear Customs at Adelaide Airport rather than other Australian airports due to legal requirements. Taking crossbows over state borders can present problems. It would be advisable also to hire a car as there is no public transport available.

Please note that Australia has very strict quarantine regulations. You will need to declare all wooden/timer items including tackle boxes and bolts. Feathers can also present problems.

Legal issues

Crossbows are Prohibited Weapons in all Australian states and territories except the Northern Territory. We will need to organise IMPORT PERMITS on your behalf. It is not advisable to take a crossbow across state borders as all states have different licensing arrangements.
